Electrician Gets Powerful Jolt

A Torrance electrical worker received a strong electrical shock while splicing transformer wire at an El Segundo plant Monday. Treated at El Segundo Medical Center was Gene Packard, 32, of 18512 Ashley Ave. Packard said the shock lasted about 10 seconds.

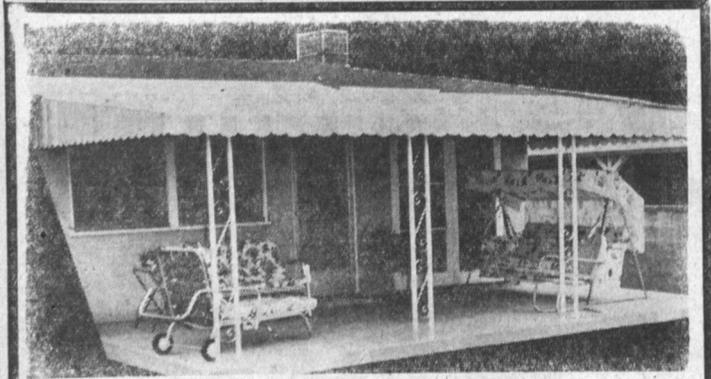

MY STARS!—One of the stars of Riviera Elementary School's Science Fair, held last week, was Connie the Turtle, held here by her young master, Tommy Simpson. Rooms and individual students contributed various scientific displays, including missile and rocket models, a TV model, rocks, astronomic displays and others. In the background is a student drawing of the milky way.

Playgrounds Slate Camping Event

As a special feature to the summer recreation program, the Los Angeles County Department of Parks and Recreation will present Camp La-Co-Dias at each of the seventeen elementary schools opened by the County in the Centinela-South Bay area. The event is scheduled from 9 a.m. to 3 p.m. daily, during the week of August 17 to August 21. The intent of the program is to allow boys and girls between the ages of seven and twelve to experience the enjoyment associ-

Freeway Ramp Here Rejected

Torrance's request for a freeway interchange at Torrance Blvd. has been turned down by L. R. Gillis, district engineer for the State Highway Division. He said that interchanges will be provided between Del Amo Blvd. and 208th St., and at Carson St., and that an additional on and off ramp is not efficient. ated with a typical day camp program. Activities include nature crafts, nature study, cook-outs, camp singing, games, and other related activities.

Announcement

I wish to announce that due to the increasing growth of my clientele towards the Beach Cities and South Bay areas, I have opened an additional Dental Office in the South Bay Shopping Center in the new Profession Medical Building on Redondo Beach Blvd. (174th St.), one block west of Hawthorne Blvd. With these new expanded facilities, I can better meet the demands of Adult Denture Service, both Full Replacements and Cast Partials, and the Immediate Denture Technique specialty which I have concentrated on and developed through the years. However, we will also carry on services to the whole family as before.

DR. ANTHONY L. VOGT, Adult Dentistry

I will maintain alternate days at both offices as follows:

Redondo Beach Office: Monday-Wednesday-Friday.
Gardena Office: Tuesday-Thursday-Saturday 'til Noon.
Appointments will be made by phone for either office.

Union Carbide Executive Marks 25th Anniversary

R. D. Grady recently reached his quarter-century of service with Union Carbide Chemicals Company. He has been shift superintendent for the chemicals division of Union Carbide since its start in Torrance in 1955.

Grady began with Carbide in 1934 as an operator in the Niagara Falls plant. After broad experience in several phases of the operation, he was promoted to shift supervisor in 1941. Nine years later he was transferred to the Seadrift, Texas, plant, where he remained until he received his transfer to the Torrance plant in 1955.

A native of Niagara Falls, N. Y., Grady is a graduate of Niagara University. He and his wife, Dorothy, have four children, Donna, Linda, Brian and Kevin. They reside at 241 Via Linda Vista, Redondo Beach.

Grady will receive the commendation of the board of directors at a "25-year banquet" to be held in Charleston, W. V., and he will be awarded his choice of a watch or clock.
